# Introduction

**ALLIANT Co.** stands today as a testament to nearly a decade of excellence in the Saudi market. Established in 2017 (formerly United Alliance Trading Co. / Nate Group), we have accumulated a strong and healthy market trust through a simple principle that we follow: **"Earn Trust With Business."**

While our identity has evolved, our core mission remains unchanged. We continue to serve as a leading distributor of Consumer Electronics, Satellite Networking, and Industrial Solutions, providing dedicated support and services to all major industries, contractors, and traders across the region.

Headquartered in Dammam, **Alliant Co.** bridges the gap between global manufacturers and local markets. We ensure that high-quality products reach retailers and end-users with the same efficiency, reliability, and integrity you have always known us for.

## Our Vision

To be the premier strategic partner in the Kingdom of Saudi Arabia and the GCC for specialized trading and distribution. We aspire to set the benchmark for reliability, connecting local industries with world-class global innovation.

## Our Mission

To empower our clients by delivering a seamless supply chain experience. We are dedicated to sourcing high-quality electronics, networking infrastructure, and industrial tools, ensuring they reach retailers, contractors, and end-users with unmatched efficiency and speed.

## Our Core Values

At Alliant, every decision is guided by our founding principle  
“Earn Trust With Business.”

### INTEGRITY

We believe that honest business builds lasting partnerships.

### QUALITY

We only distribute products that meet rigorous international standards (Saber, ISO, CE, RoHS).

### AGILITY

We adapt quickly to market demands, ensuring our partners always have the latest solutions.

### CUSTOMER FOCUS

Your success is our success. We support our clients from purchase to after-sales service.

# Our Strengths

Building value through efficiency, quality, and trust.

## Global Reach, Local Expertise

We bridge the gap between international innovation and local demand. Our established network connects top-tier global manufacturers directly with the Saudi market, ensuring access to the latest technology in electronics and industrial tools

## Uncompromising Quality

Reliability is our baseline. Every product we distribute—from satellite infrastructure to safety gear—is rigorously vetted. We exclusively deal in products backed by international certifications (ISO, CE, RoHS) to guarantee performance and safety

## Streamlined Logistics

Time is money. Our supply chain is optimized for speed and accuracy. Whether you need a bulk wholesale delivery or urgent project supplies, our logistics framework ensures your goods arrive on time, every time.

## Comprehensive Support

We don't just sell boxes; we provide solutions. Alliant offers complete after-sales support, including Annual Maintenance Contracts (AMC) and technical guidance, ensuring your operations never stop

# General Trading & Distribution

We are a high-volume supplier of consumer goods and industrial supplies. By connecting directly with global manufacturers, we ensure retailers and wholesalers in the GCC receive high-quality products at competitive rates.

## Consumer Electronics:

Smart Televisions, Air Conditioners, and Home-Appliances

## Industrial Tools:

Heavy-duty Power Tools, Hand Tools, and Welding Machines.

## Material Supply:

Electrical cables, wiring accessories, and fasteners.

## Safety Items:

helmets, safety glasses, hearing protection, gloves, safety boots, high-visibility clothing, Fire Extinguisher  
Fire safety suit and Safety Gear

## Specialized Projects & Infrastructure

Beyond product supply, Alliant Co. delivers technical infrastructure solutions for commercial and residential projects. We support contractors and facility managers with specialized systems.

### Satellite & Networking:

End-to-end solutions for CATV, MATV, and IPTV head-end systems.

### Connectivity:

P2P Wireless Internet solutions for remote camps and workforce housing.

### Safety Solutions:

Complete Personal Protective Equipment (PPE) supply for industrial sites.

### **CATV (CABLE TV):**

Reception & distribution system consisting of one or more head ends, trunk cable, subscriber drops, & associated electronic equipment, which is, or is capable of being, operated as an independent system without interconnections to other systems.

### **MATV (MASTER ANTENNA):**

Enabling TV and FM signals to be distributed to a large number of TV receivers, as opposed to individual antennas for each TV.

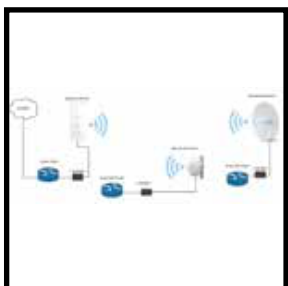

### **IPTV (INTERNET PROTOCOL TELEVISION) :**

Providing television programming and other video content using the Transmission Control Protocol/Internet Protocol (TCP/IP) suite instead of broadcast TV, cable TV or satellite signals.

### **PAY TV (ENCRYPTED TV CHANNELS):**

Providing OSN TV, BeiN TV, and GoBox for Saudi Sports Channels.

### **P2P WIRELESS INTERNET PROVIDER TO CAMPS**

Providing Internet to Remote Camps with Total Hotspot Solution
